

Continuum ~ Signature Drop-In Basin

Item# CP1014

Description:

A great option for custom built-in pedicure benches. (Surround not available for purchase-must be made by others).

Features:

Eco-friendly basin holds approximately four (4) gallons of water. Features invigorating massage by a powerful EZ Clean magnetic jet. The basin is made of a durable and chemical resistant fiberglass featuring a river stone textured bottom for added comfort and sensation. It also incorporates a handheld sprayer, patented adjustable center leg support and comfortable foot rests. A recycled steel frame supports the entire basin, virtually eliminating the problem of cracking. Gravity drain.
