

Fusion Spas Luna Pedicure Throne w/ Shiatsu

Item# FS2003

Description:

The Luna Shiatsu massage chair offers the ultimate relaxing experience.

Features:

The plush seat is covered in a faux leather upholstery and includes an adjustable neck pillow, Shiatsu massage, Cherry colored flip out manicure tray with deep cup holder, and swing up/down arm for easy in and out. Remote control adjusts seat positioning (slide and recline) and massage functions. Independently adjustable leg rests have unique top curve for extra comfort. The scratch, water and chemical high density polyethylene base includes removable side accent panels for adding a splash of color. The Purely Simple Pipeless system makes cleaning and sanitizing effortless and straightforward.
